Philips
Two silicone cases

for iPhone 4, 4S

DLM4313

Protection and improved grip

in a choice of colours

These two cases feature our internal ShockStop design to cushion your device and protect it from shock. Wrap-around protection protects the face of your device while offering total access to controls.

Grippable protection
- Silicone adds grip and protection
- Quick and easy protection in an instant

Protection on the go
- Honeycomb construction deflects vibration and dissipates shock

Convenient access
- Access to all controls and dock connector

Express yourself
- Multi-pack lets you pick your favourite to change it around

PHILIPS
sense and simplicity

Inner Carton
- Number of consumer packages: 6
- Inner carton (L x W x H): 17.2 x 13.5 x 18.8 cm
- Gross weight: 0.317 kg
- Net weight: 0.27 kg
- Tare weight: 0.047 kg
- GTIN: 2 87 12581 61075 7

Highlights

Protective silicone
This case is made out of soft silicone, which adds a layer of grip to your player while also protecting your device against normal wear and tear.

Multi-pack: Pick your favourite
With a variety of styles to choose from, you can select your favourite for the day, then change it up the next day. Express yourself - match your outfit, your mood, or your player.

Protection in an instant
This case is made from a durable material that is custom-made to fit your device perfectly. The case is quick and easy to put on and adds a layer of protection to your device.

ShockStop
ShockStop protects devices with a walled tri-form construction that dissipates shock. Unlike a solid surface that can conduct vibration, the segmented ShockShock surface pattern interrupts and stops reverberation.
